

Flying Safely at Deland's Busy General Aviation / Skydiving Airport

Come join us for this first ever Deland airport safety meeting to discuss how a variety of different aircraft operators working together can safely share the same airport.

Directions: From HWY 92, turn onto Flight Line Blvd., follow Flight Line Blvd until you get to the intersection of Flight Line Blvd and Lexington. Turn into the parking lot opposite Lexington. Deland Aviation is the second hangar closest to the runways.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
